

Compass Kids Safeguards

We here at Compass Community Church value young people and children of all ages as being a vital part of our church family. We desire to help them learn, grow and mature in our Lord Jesus Christ in a safe and healthy environment.

To help us do this:

- a. We have an annual safety training class for all those involved with the children.
- b. We finger print and have a back ground check done by the DOJ for all our staff and volunteers.
- c. We have a child protection policy that annually is gone over, discussed and re-signed by all volunteers.
- d. We ask you to fill out, sign, and turn in our simple registration form on your first visit to give us basic information that we need (allergies/who is authorized to pick up). A greeter will hand this to you or you can find them on the Compass Kids kiosk in the main foyer.
- e. Then, after your 2nd visit we will give you our regular registration form and we would like returned on the following Sunday.

We thank you for allowing us to partner with you in teaching your child(ren) about our wonderful Lord!

If you have any further concerns, please talk to Children's Ministry Director, greeter, teacher or contact the office- we want you and your child to feel safe and know that we are doing everything we can to accomplish this goal.
